Your "Dream Garden" of Gladioli

Kellogg's Sensational Offer of Prize Winners

Introducing:

Kellogg's "Dream Garden" of Gladioli
"The Garden of Your Dreams"

Dear Friends:

I am highly honored to have the privilege of introducing to you Kellogg's "Dream Garden" of Gladioli, the "Garden of Your Dreams". The most inspiring and most magnificent gladiolus garden ever designed; "Kellogg's Masterpiece". Far superior to any other gladiolus collection ever offered.

Kellogg's "Dream Garden" of Gladioli has been designed to make it distinctive in its artistically blended colors - to give the most aristocratic appearance. Before we could obtain the matchless blending of brilliant and restful colors and artistic effect we had in mind, it required 50 of the world's choicest and most outstanding varieties, practically all prize-winners. I am happy to tell you that our efforts have met with wonderful success and now we are prepared to send you a gladiolus garden more beautiful than you ever dreamed of.

Kellogg's "Dream Garden" of Gladioli is not only the most magnificent garden ever designed, but the biggest value ever offered. It gives you 100 big-flowering bulbs, selected from 50 of the world's choicest, prize-winning gladiolus varieties. A gladiolus garden that will win prizes for you. Sincerely yours,

J. E. Beatty
